

DEMO TENDER & BID DOCUMENT

IT Infrastructure / Computer System Procurement
Prepared for SIH Hackathon Demo – AI Compliance Analysis

1. Tender Overview

This sample tender is designed for demonstration of an AI-powered tender/bid compliance analysis workflow. The tendering authority intends to procure computer systems meeting the minimum technical, experience, certification, financial, and warranty requirements listed below.

Tender Reference: SIH-DEMO-IT-2026-001
Tender Title: Supply of Computer Systems and Related IT Equipment
Tender Type: Open Tender – Demo
Evaluation Method: Mandatory compliance against stated requirements

2. Mandatory Tender Requirements

Requirement	Tender Requirement	Condition
RAM Requirement	Minimum 16 GB	Mandatory
Processor	Intel Core i7	Mandatory
Experience	Minimum 3 years	Mandatory
ISO Certification	ISO 9001 mandatory	Mandatory
Annual Turnover	■50 lakh minimum	Mandatory
Product Warranty	3 years	Mandatory

3. Bidder Submission

The bidder response below is intentionally populated to demonstrate compliant and non-compliant outcomes.

Requirement	Bidder Declaration	Expected Analysis
RAM Requirement	16 GB	COMPLIANT
Processor	Intel Core i5	FAILED
Experience	5 years	COMPLIANT
ISO Certification	ISO 9001 available	COMPLIANT
Annual Turnover	■42 lakh	FAILED
Product Warranty	3 years	COMPLIANT

4. Bidder Declaration

We hereby submit our bid for the above tender and confirm that the information provided is accurate and complete. We understand that failure to meet a mandatory requirement may result in rejection of the bid.

Authorized Signatory: _____
Bidder Organization: _____
Date: _____

Seal / Signature: _____

5. AI Compliance Analysis – Demo Expected Result

Status	Count	Reason / Criteria
Compliant	4	RAM, Experience, ISO Certification, Product Warranty
Warnings	0	No warning category used in this demo
Non-Compliant / Failed	2	Processor, Annual Turnover

6. Detailed Compliance Notes

- RAM: Tender requires a minimum of 16 GB and bidder offers 16 GB. Result: COMPLIANT.
- Processor: Tender requires Intel Core i7 while bidder offers Intel Core i5. Result: FAILED.
- Experience: Tender requires at least 3 years and bidder reports 5 years. Result: COMPLIANT.
- ISO 9001: Tender makes ISO 9001 mandatory and bidder states ISO 9001 is available. Result: COMPLIANT.
- Annual Turnover: Tender requires a minimum of ■50 lakh while bidder reports ■42 lakh. Result: FAILED.
- Warranty: Tender requires 3 years and bidder offers 3 years. Result: COMPLIANT.

7. Demo Evaluation Conclusion

Based strictly on the mandatory criteria stated in this sample tender, the bidder satisfies 4 out of 6 requirements and fails 2 requirements. The failed criteria are the processor specification and minimum annual turnover. This document is intended solely as a demo input for tender/bid compliance analysis and is not a live procurement document.
