Bid Compliance Report

GEM/2026/B/458921

[Download Report](#)

Executive Summary

The AI-powered compliance engine analyzed the submitted bid against the mandatory tender requirements.

72%

Overall Compliance Score

Recommendation

Bid should be manually reviewed because the bidder does not satisfy the processor and annual turnover requirements.

Detected Compliance Issues

Processor Requirement

Tender requires Intel Core i7. Bidder submitted Intel Core i5.

Annual Turnover

Tender requires minimum ₹50 lakh. Bidder documents show ₹42 lakh.

AI Explanation

The system extracted requirements from the tender document using document intelligence and compared them with information extracted from the bidder's submitted documents.

Each requirement was classified as **Compliant, Warning, or Non-Compliant**.
